

Missouri Sunshine Law

Open Meetings and Records Law

Introduction

The Sunshine Law brings transparency and fairness to all aspects of government.

The Missouri Sunshine Law was introduced in the General Assembly as Senate Bill 1 in 1973. This was seven years after the Freedom of Information Act was passed in Congress and the same year that the United States Senate Watergate Committee conducted its hearings. With the passage of Senate Bill 1, Missouri became one of the earliest advocates of ensuring that meetings and records would be open to the public throughout all aspects of government.

Missouri's commitment to openness in government is clearly stated in § 610.011, RSMo, of the Sunshine Law: "It is the public policy of this state that meetings, records, votes, actions, and deliberations of public governmental bodies be open to the public unless otherwise provided by law. Sections 610.010 to 610.200 shall be liberally construed and their exceptions strictly construed to promote this public policy."

The law sets out the specific instances when a meeting, record, or vote may be closed, while stressing these exceptions are to be strictly interpreted to promote the public policy of openness.

Public meetings, including meetings conducted by telephone, Internet or other electronic means, are to be held at reasonably convenient times and must be accessible to the public. Meetings should be held in facilities that are large enough to accommodate anticipated attendance by the public and accessible to persons with disabilities.

We are pleased to provide you with this new Sunshine Law booklet containing recent changes to the Missouri statutes, case law and Attorney General Opinions by category, information regarding records requests, and two sections of frequently asked questions.

Sincerely,

A handwritten signature in black ink that reads "Chris Koster".

(7) **“Public vote”**, any vote, whether conducted in person, by telephone, or by any other electronic means, cast at any public meeting of any public governmental body.

610.011. Liberal construction of law to be public policy.

1. It is the public policy of this state that meetings, records, votes, actions, and deliberations of public governmental bodies be open to the public unless otherwise provided by law. Sections 610.010 to 610.200 shall be liberally construed and their exceptions strictly construed to promote this public policy.

2. Except as otherwise provided by law, all public meetings of public governmental bodies shall be open to the public as set forth in section 610.020, all public records of public governmental bodies shall be open to the public for inspection and copying as set forth in sections 610.023 to 610.026, and all public votes of public governmental bodies shall be recorded as set forth in section 610.015.

610.015. Votes, how taken.

Except as provided in section 610.021, rules authorized pursuant to article III of the Missouri Constitution and as otherwise provided by law, all votes shall be recorded, and if a roll call is taken, as to attribute each “yea” and “nay” vote, or abstinence if not voting, to the name of the individual member of the public governmental body. Any votes taken during a closed meeting shall be taken by roll call. All public meetings shall be open to the public and public votes and public records shall be open to the public for inspection and duplication. All votes taken by roll call in meetings of a public governmental body consisting of members who are all elected, except for the Missouri general assembly and any committee established by a public governmental body, shall be cast by members of the public governmental body who are physically present and in attendance at the meeting or who are participating via videoconferencing. When it is necessary to take votes by roll call in a meeting of the public governmental body, due to an emergency of the public body, with a quorum of the members of the public body physically present and in attendance and less than a quorum of the members of the public governmental body participating via telephone, facsimile, Internet, or any other voice or electronic means, the nature of the emergency of the public body justifying that departure from the normal requirements shall be stated in the minutes. Where such emergency exists, the votes taken shall be regarded as if all members were physically present and in attendance at the meeting.

610.020. Notice of meetings, when required – recording of meetings to be allowed, guidelines, penalty – accessibility of meetings – minutes of meetings to be kept, content – voting records to be included.

1. All public governmental bodies shall give notice of the time, date, and place of each meeting, and its tentative agenda, in a manner reasonably calculated to advise the public of the matters to be considered, and if the meeting will be conducted by telephone or other electronic means, the notice of the meeting shall identify the mode by which the meeting will be conducted and the designated location where the public may observe and attend the meeting. If a public body plans to meet by internet chat, internet message board, or other computer link, it shall post a notice of the meeting on its website in addition to its principal office and shall notify the public how to access that meeting. Reasonable notice shall include making available copies of the notice to any representative of the news media who requests notice

of meetings of a particular public governmental body concurrent with the notice being made available to the members of the particular governmental body and posting the notice on a bulletin board or other prominent place which is easily accessible to the public and clearly designated for that purpose at the principal office of the body holding the meeting, or if no such office exists, at the building in which the meeting is to be held.

2. Notice conforming with all of the requirements of subsection 1 of this section shall be given at least twenty-four hours, exclusive of weekends and holidays when the facility is closed, prior to the commencement of any meeting of a governmental body unless for good cause such notice is impossible or impractical, in which case as much notice as is reasonably possible shall be given. Each meeting shall be held at a place reasonably accessible to the public and of sufficient size to accommodate the anticipated attendance by members of the public, and at a time reasonably convenient to the public, unless for good cause such a place or time is impossible or impractical. Every reasonable effort shall be made to grant special access to the meeting to handicapped or disabled individuals.

3. A public body shall allow for the recording by audiotape, videotape, or other electronic means of any open meeting. A public body may establish guidelines regarding the manner in which such recording is conducted so as to minimize disruption to the meeting. No audio recording of any meeting, record, or vote closed pursuant to the provisions of section 610.021 shall be permitted without permission of the public body; any person who violates this provision shall be guilty of a class C misdemeanor.

4. When it is necessary to hold a meeting on less than twenty-four hours' notice, or at a place that is not reasonably accessible to the public, or at a time that is not reasonably convenient to the public, the nature of the good cause justifying that departure from the normal requirements shall be stated in the minutes.

5. A formally constituted subunit of a parent governmental body may conduct a meeting without notice as required by this section during a lawful meeting of the parent governmental body, a recess in that meeting, or immediately following that meeting, if the meeting of the subunit is publicly announced at the parent meeting and the subject of the meeting reasonably coincides with the subjects discussed or acted upon by the parent governmental body.

6. If another provision of law requires a manner of giving specific notice of a meeting, hearing or an intent to take action by a governmental body, compliance with that section shall constitute compliance with the notice requirements of this section.

7. A journal or minutes of open and closed meetings shall be taken and retained by the public governmental body, including, but not limited to, a record of any votes taken at such meeting. The minutes shall include the date, time, place, members present, members absent and a record of any votes taken. When a roll call vote is taken, the minutes shall attribute each “yea” and “nay” vote or abstinence if not voting to the name of the individual member of the public governmental body.

610.021. Closed meetings and closed records authorized when, exceptions.

Except to the extent disclosure is otherwise required by law, a public governmental body is authorized to close meetings, records and votes, to the extent they relate to the following:

(1) Legal actions, causes of action or litigation involving a public governmental body and any confidential or privileged communications between a public governmental body or its representatives and its attorneys. However, any minutes, vote or settlement agreement relating to legal actions, causes of action or litigation involving a public governmental body or any agent or entity representing its interests or acting on its behalf or with its authority, including any insurance company acting on behalf of a public government body as its insured, shall be made public upon final disposition of the matter voted upon or upon the signing by the parties of the settlement agreement, unless, prior to final disposition, the settlement agreement is ordered closed by a court after a written finding that the adverse impact to a plaintiff or plaintiffs to the action clearly outweighs the public policy considerations of section 610.011, however, the amount of any moneys paid by, or on behalf of, the public governmental body shall be disclosed; provided, however, in matters involving the exercise of the power of eminent domain, the vote shall be announced or become public immediately following the action on the motion to authorize institution of such a legal action. Legal work product shall be considered a closed record;

(2) Leasing, purchase or sale of real estate by a public governmental body where public knowledge of the transaction might adversely affect the legal consideration therefor. However, any minutes, vote or public record approving a contract relating to the leasing, purchase or sale of real estate by a public governmental body shall be made public upon execution of the lease, purchase or sale of the real estate;

(3) Hiring, firing, disciplining or promoting of particular employees by a public governmental body when personal information about the employee is discussed or recorded. However, any vote on a final decision, when taken by a public

governmental body, to hire, fire, promote or discipline an employee of a public governmental body shall be made available with a record of how each member voted to the public within seventy-two hours of the close of the meeting where such action occurs; provided, however, that any employee so affected shall be entitled to prompt notice of such decision during the seventy-two-hour period before such decision is made available to the public. As used in this subdivision, the term “**personal information**” means information relating to the performance or merit of individual employees;

- (4) The state militia or national guard or any part thereof;
- (5) Nonjudicial mental or physical health proceedings involving identifiable persons, including medical, psychiatric, psychological, or alcoholism or drug dependency diagnosis or treatment;
- (6) Scholastic probation, expulsion, or graduation of identifiable individuals, including records of individual test or examination scores; however, personally identifiable student records maintained by public educational institutions shall be open for inspection by the parents, guardian or other custodian of students under the age of eighteen years and by the parents, guardian or other custodian and the student if the student is over the age of eighteen years;
- (7) Testing and examination materials, before the test or examination is given or, if it is to be given again, before so given again;
- (8) Welfare cases of identifiable individuals;
- (9) Preparation, including any discussions or work product, on behalf of a public governmental body or its representatives for negotiations with employee groups;
- (10) Software codes for electronic data processing and documentation thereof;
- (11) Specifications for competitive bidding, until either the specifications are officially approved by the public governmental body or the specifications are published for bid;
- (12) Sealed bids and related documents, until the bids are opened; and sealed proposals and related documents or any documents related to a negotiated contract until a contract is executed, or all proposals are rejected;
- (13) Individually identifiable personnel records, performance ratings or records pertaining to employees or applicants for employment, except that this

exemption shall not apply to the names, positions, salaries and lengths of service of officers and employees of public agencies once they are employed as such, and the names of private sources donating or contributing money to the salary of a chancellor or president at all public colleges and universities in the state of Missouri and the amount of money contributed by the source;

(14) Records which are protected from disclosure by law;

(15) Meetings and public records relating to scientific and technological innovations in which the owner has a proprietary interest;

(16) Records relating to municipal hotlines established for the reporting of abuse and wrongdoing;

(17) Confidential or privileged communications between a public governmental body and its auditor, including all auditor work product; however, all final audit reports issued by the auditor are to be considered open records pursuant to this chapter;

(18) Operational guidelines, policies and specific response plans developed, adopted, or maintained by any public agency responsible for law enforcement, public safety, first response, or public health for use in responding to or preventing any critical incident which is or appears to be terrorist in nature and which has the potential to endanger individual or public safety or health. Financial records related to the procurement of or expenditures relating to operational guidelines, policies or plans purchased with public funds shall be open. When seeking to close information pursuant to this exception, the public governmental body shall affirmatively state in writing that disclosure would impair the public governmental body's ability to protect the security or safety of persons or real property, and shall in the same writing state that the public interest in nondisclosure outweighs the public interest in disclosure of the records;

(19) Existing or proposed security systems and structural plans of real property owned or leased by a public governmental body, and information that is voluntarily submitted by a nonpublic entity owning or operating an infrastructure to any public governmental body for use by that body to devise plans for protection of that infrastructure, the public disclosure of which would threaten public safety:

(a) Records related to the procurement of or expenditures relating to security systems purchased with public funds shall be open;

- (b) When seeking to close information pursuant to this exception, the public governmental body shall affirmatively state in writing that disclosure would impair the public governmental body's ability to protect the security or safety of persons or real property, and shall in the same writing state that the public interest in nondisclosure outweighs the public interest in disclosure of the records;
- (c) Records that are voluntarily submitted by a nonpublic entity shall be reviewed by the receiving agency within ninety days of submission to determine if retention of the document is necessary in furtherance of a state security interest. If retention is not necessary, the documents shall be returned to the nonpublic governmental body or destroyed;
- (20) The portion of a record that identifies security systems or access codes or authorization codes for security systems of real property;
- (21) Records that identify the configuration of components or the operation of a computer, computer system, computer network, or telecommunications network, and would allow unauthorized access to or unlawful disruption of a computer, computer system, computer network, or telecommunications network of a public governmental body. This exception shall not be used to limit or deny access to otherwise public records in a file, document, data file or database containing public records. Records related to the procurement of or expenditures relating to such computer, computer system, computer network, or telecommunications network, including the amount of moneys paid by, or on behalf of, a public governmental body for such computer, computer system, computer network, or telecommunications network shall be open;
- (22) Credit card numbers, personal identification numbers, digital certificates, physical and virtual keys, access codes or authorization codes that are used to protect the security of electronic transactions between a public governmental body and a person or entity doing business with a public governmental body. Nothing in this section shall be deemed to close the record of a person or entity using a credit card held in the name of a public governmental body or any record of a transaction made by a person using a credit card or other method of payment for which reimbursement is made by a public governmental body; and
- (23) Records submitted by an individual, corporation, or other business entity to a public institution of higher education in connection with a proposal to license intellectual property or perform sponsored research and which contains sales projections or other business plan information the disclosure of which may endanger the competitiveness of a business.

610.022. Closed meetings, procedure and limitation – public records presumed open unless exempt – objections to closing meetings or records, procedure.

- 1.** Except as set forth in subsection 2 of this section, no meeting or vote may be closed without an affirmative public vote of the majority of a quorum of the public governmental body. The vote of each member of the public governmental body on the question of closing a public meeting or vote and the specific reason for closing that public meeting or vote by reference to a specific section of this chapter shall be announced publicly at an open meeting of the governmental body and entered into the minutes.
- 2.** A public governmental body proposing to hold a closed meeting or vote shall give notice of the time, date and place of such closed meeting or vote and the reason for holding it by reference to the specific exception allowed pursuant to the provisions of section 610.021. Such notice shall comply with the procedures set forth in section 610.020 for notice of a public meeting.
- 3.** Any meeting or vote closed pursuant to section 610.021 shall be closed only to the extent necessary for the specific reason announced to justify the closed meeting or vote. Public governmental bodies shall not discuss any business in a closed meeting, record or vote which does not directly relate to the specific reason announced to justify the closed meeting or vote. Public governmental bodies holding a closed meeting shall close only an existing portion of the meeting facility necessary to house the members of the public governmental body in the closed session, allowing members of the public to remain to attend any subsequent open session held by the public governmental body following the closed session.
- 4.** Nothing in sections 610.010 to 610.028 shall be construed as to require a public governmental body to hold a closed meeting, record or vote to discuss or act upon any matter.
- 5.** Public records shall be presumed to be open unless otherwise exempt pursuant to the provisions of this chapter.
- 6.** In the event any member of a public governmental body makes a motion to close a meeting, or a record, or a vote from the public and any other member believes that such motion, if passed, would cause a meeting, record or vote to be closed from the public in violation of any provision in this chapter, such latter member shall state his or her objection to the motion at or before the time the vote is taken on the motion. The public governmental body shall enter in the minutes of the public governmental body any objection made pursuant to this subsection. Any

member making such an objection shall be allowed to fully participate in any meeting, record or vote that is closed from the public over the member's objection. In the event the objecting member also voted in opposition to the motion to close the meeting, record or vote at issue, the objection and vote of the member as entered in the minutes shall be an absolute defense to any claim filed against the objecting member pursuant to section 610.027.

610.023. Records of governmental bodies to be in care of custodian, duties – records may be copied but not removed, exception, procedure – denial of access, procedure.

1. Each public governmental body is to appoint a custodian who is to be responsible for the maintenance of that body's records. The identity and location of a public governmental body's custodian is to be made available upon request.
2. Each public governmental body shall make available for inspection and copying by the public of that body's public records. No person shall remove original public records from the office of a public governmental body or its custodian without written permission of the designated custodian. No public governmental body shall, after August 28, 1998, grant to any person or entity, whether by contract, license or otherwise, the exclusive right to access and disseminate any public record unless the granting of such right is necessary to facilitate coordination with, or uniformity among, industry regulators having similar authority.
3. Each request for access to a public record shall be acted upon as soon as possible, but in no event later than the end of the third business day following the date the request is received by the custodian of records of a public governmental body. If records are requested in a certain format, the public body shall provide the records in the requested format, if such format is available. If access to the public record is not granted immediately, the custodian shall give a detailed explanation of the cause for further delay and the place and earliest time and date that the record will be available for inspection. This period for document production may exceed three days for reasonable cause.
4. If a request for access is denied, the custodian shall provide, upon request, a written statement of the grounds for such denial. Such statement shall cite the specific provision of law under which access is denied and shall be furnished to the requester no later than the end of the third business day following the date that the request for the statement is received.

610.024. Public record containing exempt and nonexempt materials, nonexempt to be made available – deleted exempt materials to be explained, exception.

1. If a public record contains material which is not exempt from disclosure as well as material which is exempt from disclosure, the public governmental body shall separate the exempt and nonexempt material and make the nonexempt material available for examination and copying.
2. When designing a public record, a public governmental body shall, to the extent practicable, facilitate a separation of exempt from nonexempt information. If the separation is readily apparent to a person requesting to inspect or receive copies of the form, the public governmental body shall generally describe the material exempted unless that description would reveal the contents of the exempt information and thus defeat the purpose of the exemption.

610.025. Electronic transmission of messages relating to public business, requirements.

Any member of a public governmental body who transmits any message relating to public business by electronic means shall also concurrently transmit that message to either the member's public office computer or the custodian of records in the same format. The provisions of this section shall only apply to messages sent to two or more members of that body so that, when counting the sender, a majority of the body's members are copied. Any such message received by the custodian or at the member's office computer shall be a public record subject to the exceptions of section 610.021.

610.026. Fees for copying public records, limitations – fee money remitted to whom – tax, license or fee as used in Missouri Constitution article X, section 22, not to include copying fees.

1. Except as otherwise provided by law, each public governmental body shall provide access to and, upon request, furnish copies of public records subject to the following:

(1) Fees for copying public records, except those records restricted under section 32.091, shall not exceed ten cents per page for a paper copy not larger than nine by fourteen inches, with the hourly fee for duplicating time not to exceed the average hourly rate of pay for clerical staff of the public governmental body. Research time required for fulfilling records requests may be charged at the actual cost of research time. Based on the scope of the request, the public governmental body shall produce the copies using employees of the body that result in the lowest amount of charges for search, research, and duplication time. Prior to producing copies of the requested records, the person requesting the records may request the public governmental body to provide an estimate of the cost to the person requesting the records. Documents may be furnished

without charge or at a reduced charge when the public governmental body determines that waiver or reduction of the fee is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the public governmental body and is not primarily in the commercial interest of the requester;

(2) Fees for providing access to public records maintained on computer facilities, recording tapes or disks, videotapes or films, pictures, maps, slides, graphics, illustrations or similar audio or visual items or devices, and for paper copies larger than nine by fourteen inches shall include only the cost of copies, staff time, which shall not exceed the average hourly rate of pay for staff of the public governmental body required for making copies and programming, if necessary, and the cost of the disk, tape, or other medium used for the duplication. Fees for maps, blueprints, or plats that require special expertise to duplicate may include the actual rate of compensation for the trained personnel required to duplicate such maps, blueprints, or plats. If programming is required beyond the customary and usual level to comply with a request for records or information, the fees for compliance may include the actual costs of such programming.

2. Payment of such copying fees may be requested prior to the making of copies.
3. Except as otherwise provided by law, each public governmental body of the state shall remit all moneys received by or for it from fees charged pursuant to this section to the director of revenue for deposit to the general revenue fund of the state.
4. Except as otherwise provided by law, each public governmental body of a political subdivision of the state shall remit all moneys received by it or for it from fees charged pursuant to sections 610.010 to 610.028 to the appropriate fiscal officer of such political subdivision for deposit to the governmental body's accounts.
5. The term "tax, license or fees" as used in section 22 of article X of the Constitution of the state of Missouri does not include copying charges and related fees that do not exceed the level necessary to pay or to continue to pay the costs for providing a service, program, or activity which was in existence on November 4, 1980, or which was approved by a vote of the people subsequent to November 4, 1980.

610.027. Violations – remedies, procedure, penalty, purposeful violations – validity of actions by governing bodies in violation – governmental bodies may seek interpretation of law, attorney general to provide.

1. The remedies provided by this section against public governmental bodies shall be in addition to those provided by any other provision of law. Any aggrieved person, taxpayer to, or citizen of, this state, or the attorney general or prosecuting attorney, may seek judicial enforcement of the requirements of sections 610.010 to 610.026. Suits to enforce sections 610.010 to 610.026 shall be brought in the circuit court for the county in which the public governmental body has its principal place of business. Upon service of a summons, petition, complaint, counterclaim, or cross-claim in a civil action brought to enforce the provisions of sections 610.010 to 610.026, the custodian of the public record that is the subject matter of such civil action shall not transfer custody, alter, destroy, or otherwise dispose of the public record sought to be inspected and examined, notwithstanding the applicability of an exemption pursuant to section 610.021 or the assertion that the requested record is not a public record until the court directs otherwise.
2. Once a party seeking judicial enforcement of sections 610.010 to 610.026 demonstrates to the court that the body in question is subject to the requirements of sections 610.010 to 610.026 and has held a closed meeting, record or vote, the burden of persuasion shall be on the body and its members to demonstrate compliance with the requirements of sections 610.010 to 610.026.
3. Upon a finding by a preponderance of the evidence that a public governmental body or a member of a public governmental body has knowingly violated sections 610.010 to 610.026, the public governmental body or the member shall be subject to a civil penalty in an amount up to one thousand dollars. If the court finds that there is a knowing violation of sections 610.010 to 610.026, the court may order the payment by such body or member of all costs and reasonable attorney fees to any party successfully establishing a violation. The court shall determine the amount of the penalty by taking into account the size of the jurisdiction, the seriousness of the offense, and whether the public governmental body or member of a public governmental body has violated sections 610.010 to 610.026 previously.
4. Upon a finding by a preponderance of the evidence that a public governmental body or a member of a public governmental body has purposely violated sections 610.010 to 610.026, the public governmental body or the member shall be subject to a civil penalty in an amount up to five thousand dollars. If the court finds that there was a purposeful violation of sections 610.010 to 610.026, then the court shall order the payment by such body or member of all costs and reasonable attorney fees to any party successfully establishing such a violation. The court shall determine the amount of the penalty by taking into account the size of the jurisdiction, the seriousness of the offense, and whether the public governmental body or member of a public governmental body has violated sections 610.010 to 610.026 previously.

5. Upon a finding by a preponderance of the evidence that a public governmental body has violated any provision of sections 610.010 to 610.026, a court shall void any action taken in violation of sections 610.010 to 610.026, if the court finds under the facts of the particular case that the public interest in the enforcement of the policy of sections 610.010 to 610.026 outweighs the public interest in sustaining the validity of the action taken in the closed meeting, record or vote. Suit for enforcement shall be brought within one year from which the violation is ascertainable and in no event shall it be brought later than two years after the violation. This subsection shall not apply to an action taken regarding the issuance of bonds or other evidence of indebtedness of a public governmental body if a public hearing, election or public sale has been held regarding the bonds or evidence of indebtedness.

6. A public governmental body which is in doubt about the legality of closing a particular meeting, record or vote may bring suit at the expense of that public governmental body in the circuit court of the county of the public governmental body's principal place of business to ascertain the propriety of any such action, or seek a formal opinion of the attorney general or an attorney for the governmental body.

610.028. Legal defense of members of governmental bodies, when – written policy on release of information required – persons reporting violations exempt from liability and discipline.

1. Any public governmental body may provide for the legal defense of any member charged with a violation of sections 610.010 to 610.030.

2. Each public governmental body shall provide a reasonable written policy in compliance with sections 610.010 to 610.030, open to public inspection, regarding the release of information on any meeting, record or vote and any member or employee of the public governmental body who complies with the written policy is not guilty of a violation of the provisions of sections 610.010 to 610.030 or subject to civil liability for any act arising out of his adherence to the written policy of the agency.

3. No person who in good faith reports a violation of the provisions of sections 610.010 to 610.030 is civilly liable for making such report, nor, if such person is an officer or employee of a public governmental body, may such person be demoted, fired, suspended, or otherwise disciplined for making such report.

610.029. Governmental agencies to provide information by electronic services, contracts for public records databases, requirements, electronic services defined – division of data processing may be consulted.

1. A public governmental body keeping its records in an electronic format is strongly encouraged to provide access to its public records to members of the public in an electronic format. A public governmental body is strongly encouraged to make information available in usable electronic formats to the greatest extent feasible. A public governmental body shall not enter into a contract for the creation or maintenance of a public records database if that contract impairs the ability of the public to inspect or copy the public records of that agency, including public records that are online or stored in an electronic record-keeping system used by the agency. Such contract shall not allow any impediment that as a practical matter makes it more difficult for the public to inspect or copy the records than to inspect or copy the public governmental body's records. For purposes of this section, a usable electronic format shall allow, at a minimum, viewing and printing of records. However, if the public governmental body keeps a record on a system capable of allowing the copying of electronic documents into other electronic documents, the public governmental body shall provide data to the public in such electronic format, if requested. The activities authorized pursuant to this section shall not take priority over the primary responsibilities of a public governmental body. For purposes of this section the term "electronic services" means online access or access via other electronic means to an electronic file or database. This subsection shall not apply to contracts initially entered into before August 28, 2004.

2. Public governmental bodies shall include in a contract for electronic services provisions that:

(1) Protect the security and integrity of the information system of the public governmental body and of information systems that are shared by public governmental bodies; and

(2) Limit the liability of the public governmental body providing the services.

3. Each public governmental body may consult with the information technology services division of the office of administration to develop the electronic services offered by the public governmental body to the public pursuant to this section.

610.030. Injunctive relief authorized.

The circuit courts of this state shall have the jurisdiction to issue injunctions to enforce the provisions of sections 610.010 to 610.115.

610.032. Executive agency disclosure of closed records, purpose, procedure – executive agency defined.

1. If an executive agency's records are closed by law, it may not disclose any information contained in such closed records in any form that would allow identification of individual persons or entities unless:

- (1) Disclosure of such information is made to a person in that person's official capacity representing an executive agency and the disclosure is necessary for the requesting executive agency to perform its constitutional or statutory duties; or
- (2) Disclosure is otherwise required by law.

2. Notwithstanding any other provision of law to the contrary, including, but not limited to, section 32.057, RSMo, such closed information may be disclosed pursuant to this section; however, the providing executive agency may request, as a condition of disclosing such information, that the requesting executive agency submit:

- (1) The constitutional or statutory duties necessitating the disclosure of such information;
- (2) The name and official capacity of the person or persons to whom such information will be disclosed;
- (3) An affirmation that such information will be used only in furtherance of such constitutional or statutory duties; and
- (4) The date upon which the access is requested to begin, when the request is for continuous access.

3. Any executive agency receiving such a request for closed information shall keep the request on file and shall only release such information to the person or persons listed on such request. If the request is for continuous access to such information, the executive agency shall honor the request for a period of one year from the beginning date indicated on such request. If the requesting executive agency requests such information for more than one year, the agency shall provide an updated request for closed information to the providing executive agency upon expiration of the initial request.

4. Any person receiving or releasing closed information pursuant to this section shall be subject to any laws, regulations or standards of the providing executive

agency regarding the confidentiality or misuse of such information and shall be subject to any penalties provided by such laws, regulations or standards for the violation of the confidentiality or misuse of such information.

5. For the purposes of this section, “**executive agency**” means any administrative governmental entity created by the constitution or statutes of this state under the executive branch, including any department, agency, board, bureau, council, commission, committee, board of regents or board of curators of any institution of higher learning supported in whole or in part by state funds, any subdivision of an executive agency, and any legally designated agent of such entity.

610.035. State entity not to disclose Social Security number, exceptions.

No state entity shall publicly disclose any Social Security number of a living person unless such disclosure is permitted by federal law, federal regulation or state law or unless such disclosure is authorized by the holder of that Social Security number or unless such disclosure is for use in connection with any civil, criminal, administrative or arbitral proceeding in any federal, state or local court or agency or before any self-regulatory body, including the service of process, investigation in anticipation of litigation and the execution or enforcement of judgments and orders, or pursuant to an order of a federal, state or local court. Notwithstanding any other provision of law to the contrary, the disclosure of Social Security numbers of deceased persons shall be lawful, provided that the state agency disclosing the information knows of no reason why such disclosure would prove detrimental to the deceased individual’s estate or harmful to the deceased individual’s living relatives. For the purposes of this section, “**publicly disclose**” shall not include the use of any Social Security number by any state entity in the performance of any statutory or constitutional duty or power or the disclosure of any Social Security number to another state entity, political subdivision, agency of the federal government, agency of another state or any private person or entity acting on behalf of, or in cooperation with, a state entity. Any person or entity receiving a Social Security number from any entity shall be subject to the same confidentiality provisions as the disclosing entity. For purposes of this section, “**state entity**” means any state department, division, agency, bureau, board, commission, employee or any agent thereof. When responding to any requests for public information pursuant to this chapter, any costs incurred by any state entity complying with the provisions of this section may be charged to the requester of such information.

2. Each law enforcement agency of this state, of any county, and of any municipality shall maintain records of all incidents reported to the agency, investigations and arrests made by such law enforcement agency. All incident reports and arrest reports shall be open records. Notwithstanding any other provision of law other

than the provisions of subsections 4, 5 and 6 of this section or section 320.083, investigative reports of all law enforcement agencies are closed records until the investigation becomes inactive. If any person is arrested and not charged with an offense against the law within thirty days of the person's arrest, the arrest report shall thereafter be a closed record except that the disposition portion of the record may be accessed and except as provided in section 610.120.

3. Except as provided in subsections 4, 5, 6 and 7 of this section, if any portion of a record or document of a law enforcement officer or agency, other than an arrest report, which would otherwise be open, contains information that is reasonably likely to pose a clear and present danger to the safety of any victim, witness, undercover officer, or other person; or jeopardize a criminal investigation, including records which would disclose the identity of a source wishing to remain confidential or a suspect not in custody; or which would disclose techniques, procedures or guidelines for law enforcement investigations or prosecutions, that portion of the record shall be closed and shall be redacted from any record made available pursuant to this chapter.
4. Any person, including a family member of such person within the first degree of consanguinity if such person is deceased or incompetent, attorney for a person, or insurer of a person involved in any incident or whose property is involved in an incident, may obtain any records closed pursuant to this section or section 610.150 for purposes of investigation of any civil claim or defense, as provided by this subsection. Any individual, his or her family member within the first degree of consanguinity if such individual is deceased or incompetent, his or her attorney or insurer, involved in an incident or whose property is involved in an incident, upon written request, may obtain a complete unaltered and unedited incident report concerning the incident, and may obtain access to other records closed by a law enforcement agency pursuant to this section. Within thirty days of such request, the agency shall provide the requested material or file a motion pursuant to this subsection with the circuit court having jurisdiction over the law enforcement agency stating that the safety of the victim, witness or other individual cannot be reasonably ensured, or that a criminal investigation is likely to be jeopardized. If, based on such motion, the court finds for the law enforcement agency, the court shall either order the record closed or order such portion of the record that should be closed to be redacted from any record made available pursuant to this subsection.
5. Any person may bring an action pursuant to this section in the circuit court having jurisdiction to authorize disclosure of the information contained in an investigative report of any law enforcement agency, which would otherwise be closed pursuant to this section. The court may order that all or part of the

information contained in an investigative report be released to the person bringing the action. In making the determination as to whether information contained in an investigative report shall be disclosed, the court shall consider whether the benefit to the person bringing the action or to the public outweighs any harm to the public, to the law enforcement agency or any of its officers, or to any person identified in the investigative report in regard to the need for law enforcement agencies to effectively investigate and prosecute criminal activity. The investigative report in question may be examined by the court in camera. The court may find that the party seeking disclosure of the investigative report shall bear the reasonable and necessary costs and attorneys' fees of both parties, unless the court finds that the decision of the law enforcement agency not to open the investigative report was substantially unjustified under all relevant circumstances, and in that event, the court may assess such reasonable and necessary costs and attorneys' fees to the law enforcement agency.

6. Any person may apply pursuant to this subsection to the circuit court having jurisdiction for an order requiring a law enforcement agency to open incident reports and arrest reports being unlawfully closed pursuant to this section. If the court finds by a preponderance of the evidence that the law enforcement officer or agency has knowingly violated this section, the officer or agency shall be subject to a civil penalty in an amount up to one thousand dollars. If the court finds that there is a knowing violation of this section, the court may order payment by such officer or agency of all costs and attorneys' fees, as provided by section 610.027. If the court finds by a preponderance of the evidence that the law enforcement officer or agency has purposely violated this section, the officer or agency shall be subject to a civil penalty in an amount up to five thousand dollars and the court shall order payment by such officer or agency of all costs and attorney fees, as provided in section 610.027. The court shall determine the amount of the penalty by taking into account the size of the jurisdiction, the seriousness of the offense, and whether the law enforcement officer or agency has violated this section previously.

7. The victim of an offense as provided in chapter 566 may request that his or her identity be kept confidential until a charge relating to such incident is filed.

610.103. Criminal background check completed without fee, when.

Notwithstanding any other provision of law to the contrary, whenever a criminal background check is requested in connection with gaining employment, housing or any other services or benefit of any homeless former member of the organized militia or the armed forces of the United States who has been honorably discharged, such background check shall be completed and transmitted to the requesting party without any fee or other compensation for such background check

If the accused is found not guilty due to mental disease or defect pursuant to section 552.030, official records pertaining to the case shall thereafter be closed records upon such findings, except that the disposition may be accessed only by law enforcement agencies, child-care agencies, facilities as defined in section 198.006, and in-home services provider agencies as defined in section 660.250, in the manner established by section 610.120.

If the prosecuting authority opposes the motion, an informal hearing shall be held in which technical rules of evidence shall not apply. Having regard to the nature and circumstances of the offense and the history and character of the defendant and upon a finding that the ends of justice are so served, the court may order official records pertaining to the case to be closed, except as provided in section 610.120.

610.110. Failure to recite closed record excused – exceptions.

No person as to whom such records have become closed records shall thereafter, under any provision of law, be held to be guilty of perjury or otherwise of giving a false statement by reason of his failure to recite or acknowledge such arrest or trial in response to any inquiry made of him for any purpose, except as provided in section 491.050, RSMo, and section 610.120.

610.115. Penalty.

At the hearing, the court may accept evidence and hear testimony on, and may consider, the following criteria for each of the offenses listed in the petition for expungement:

Except as otherwise provided under this section, the effect of such order shall be to restore such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrests, pleas, trials, convictions, or expungement in response to an inquiry made of him or her and no such inquiry shall be made for information relating to an expungement, except the petitioner shall disclose the expunged offense to any court when asked or upon being charged with any subsequent offense. The expunged offense may be considered a prior offense in determining a sentence to be imposed for any subsequent offense that the person is found guilty of committing.

8. Notwithstanding the provisions of subsection 7 of this section to the contrary, a person granted an expungement shall disclose any expunged offense when the disclosure of such information is necessary to complete any application for:

Notwithstanding any provision of law to the contrary, an expunged offense shall not be grounds for automatic disqualification of an applicant, but may be a factor for denying employment, or a professional license, certificate, or permit.

9. If the court determines that such person has not met the criteria for any of the offenses listed in the petition for expungement, the court shall enter an order dismissing the petition. Any person whose petition for expungement has been dismissed by the court for failure to meet the criteria set forth in subsection 5 of this section may not refile another petition until a year has passed since the date of filing for the previous petition.

10. A person may be granted more than one expungement under this section provided that no person shall be granted more than one order of expungement from the same court. Nothing contained in this section shall prevent the court from maintaining records to ensure that an individual has only one petition for expungement granted by such court under this section.

610.150. “911” telephone reports inaccessible, exceptions.

Except as provided by this section, any information acquired by a law enforcement agency or a first responder agency by way of a complaint or report of a crime made by telephone contact using the emergency number, “911”, shall be inaccessible to the general public. However, information consisting of the date, time, specific location and immediate facts and circumstances surrounding the initial report of the crime or incident shall be considered to be an incident report and subject to section 610.100. Any closed records pursuant to this section shall be available upon request by law enforcement agencies or the division of workers’ compensation or pursuant to a valid court order authorizing disclosure upon motion and good cause shown.

610.175. Flight log records after flight, open public records for elected members of executive and legislative branches.

Any records or flight logs pertaining to any flight or request for a flight after such flight has occurred by any elected member of either the executive or legislative branch shall be open public records under this chapter, unless otherwise provided by law. The provisions of this section shall only apply to a flight on a state-owned plane.

610.200. Law enforcement agency log or record of suspected crimes, accidents or complaints, available for inspection and copying.

All law enforcement agencies that maintain a daily log or record that lists suspected crimes, accidents, or complaints shall make available the following information for inspection and copying by the public:

- (2) The time and nature of the agency’s response to all complaints or requests for assistance; and

- (3) If the incident involves an alleged crime or infraction:
 - (a) The time, date, and location of occurrence;
 - (b) The name and age of any victim, unless the victim is a victim of a crime under chapter 566;
 - (c) The factual circumstances surrounding the incident; and
 - (d) A general description of any injuries, property or weapons involved.

610.225. Tax credit records and documents deemed closed records, when – request for opening records and documents, requirements, fee authorized.

1. Records and documents relating to tax credits submitted as part of the application for all tax credits to any department of this state, board, or commission authorized to issue or authorize or recommend the authorization of tax credits shall be deemed closed records until such time as the information submitted does not concern a pending application, and except as limited by other provision of law concerning closed records. For the purposes of this subsection, a **“pending application”** shall mean any application for credits that has not yet been authorized. In the case of partial authorization of credits, the completed authorization of a single credit shall be sufficient to constitute full authorization to the extent that the authorized credit or credits relate to the same application as the credits that have not yet been authorized.
2. Upon a request for opening of records and documents relating to all tax credit programs, as defined in section 135.800, submitted in accordance with the provisions of this chapter, except as limited by the provision of subsection 1 of this section, the agency that is the recipient of the open records request shall make information available consistent with the provisions of this chapter. Where a single record or document contains both open and closed records, the agency shall make a redacted version of such record or document available in order to protect the information that would otherwise make the record or document a closed record. Staff time required for such redaction shall constitute an activity for which a fee can be collected pursuant to section 610.026.
3. As used in this section **“closed record”** shall mean closed record as defined in section 610.010.

Transparency Policy

37.070. Transparency policy – public availability of data – broad interpretation of sunshine law requests – breach of the public trust, when.

1. It shall be the policy of each state department to carry out its mission with full transparency to the public. Any data collected in the course of its duties shall be made available to the public in a timely fashion. Data, reports, and other information resulting from any activities conducted by the department in the course of its duties shall be easily accessible by any member of the public.

2. Each department shall broadly interpret any request for information under section 610.023:

(1) Even if such request for information does not use the words “sunshine request”, “open records request”, “public records request”, or any such similar wording;

(2) Even if the communication is simply an inquiry as to the availability or existence of data or information; and

(3) Regardless of the format in which the communication is made, including electronic mail, facsimile, internet, postal mail, in person, telephone, or any other format.

3. Any failure by a department to release information shall, in addition to any other applicable violation of law, be considered a violation of the department’s policy under this section and shall constitute a breach of the public’s trust.

4. This section shall not be construed to limit or exceed the requirements of the provisions in chapter 610, nor shall this section require different treatment of a record considered closed or confidential under section 610.021 than what is required under that section.

Court Decisions and Attorney General Opinions

PUBLIC GOVERNMENTAL BODIES AND PUBLIC MEETINGS

JOHNSON v. STATE, 366 S.W.3d 11 (Mo. 2012)

Reapportionment commission (consisting of six judges from state appellate courts) appointed by Supreme Court pursuant to Art. III, Sec. 2 of the State Constitution, is a “judicial entity.” Because the commission was not acting in an administrative capacity, it was not a “public governmental body” under the sunshine law.

STEWART v. WILLIAMS COMMUNICATIONS, INC.,

85 S.W.3d 29 (Mo. App. W.D. 2002)

A private, for-profit corporation that lacks the power to formulate public policy, make rules, or tax and is not one of the specific entities included in the definition in § 610.010(4), RSMo, is not a public governmental body. Thus, the fact that a utility company possessed eminent domain power did not make it a public governmental body.

SNL SECURITIES, L.C. v. NATIONAL ASSOCIATION OF INSURANCE COMMISSIONERS, 23 S.W.3d 734 (Mo. App. W.D. 2000)

A national association of the chief insurance regulators of all 50 states did not constitute a quasi-public governmental body and therefore was not required to comply with the Sunshine Law.

NORTH KANSAS CITY HOSPITAL BOARD OF TRUSTEES v. ST. LUKE’S NORTHLAND HOSPITAL, 984 S.W.2d 113 (Mo. App. W.D. 1998)

A nonprofit corporation created to carry out the purposes of a municipal hospital and controlled by the hospital’s board of trustees is a quasi-public governmental body and therefore is subject to the Sunshine Law.

DEFINO v. CIVIC CENTER CORP., 780 S.W.2d 665 (Mo. App. E.D. 1989)

No issue of a Sunshine Law violation was presented to the court where less than a quorum of a board of aldermen met with constituents. The court determined the Sunshine Law does not require public notice of every meeting between a constituent and an alderman.

CHARLIER v. CORUM, 774 S.W.2d 518 (Mo. App. W.D. 1989)

A county sheriff is a “public governmental body” within the meaning of § 610.010(4), RSMo, because the office of sheriff is an administrative entity created by state statute.

KANSAS CITY STAR COMPANY v. SHIELDS,

771 S.W.2d 101 (Mo. App. W.D. 1989)

A violation of the Sunshine Law occurred when three members of a four- person budget committee of the city council met with the city budget officer and city manager and discussed the city budget in a luncheon meeting that was not announced as required by § 610.020, RSMo.

OPINION NO. 129-2004

A task force appointed by a school district superintendent for the purpose of making budget proposals to the superintendent is a public governmental body and, therefore, task force meetings are subject to the Sunshine Law.

OPINION NO. 143-2003

A citizen's advisory committee is a public governmental body and records of communications from members of the committee or city staffers to a private consultant are public records. The city is obligated to retrieve public records it has given to a private consultant and make the records accessible to the public.

OPINION NO. 106-2001

The board of jury commissioners is a public governmental body and, when it performs its duties pursuant to Chapter 494, RSMo, it is acting in an administrative role. Because the board of jury commissioners is a public governmental body, it is not exempt from the Sunshine Law, and if it retains the qualified jury list or prospective jury list, the board of jury commissioners is responsible for providing copies, if requested under Chapter 610, RSMo.

OPINION NO. 100-2001

A sheltered workshop established by a nonprofit corporation is a quasi-public governmental body and its financial records are subject to the provisions of Chapter 610, RSMo.

OPINION NO. 255-2000

Provisions of the Sunshine Law apply to a board of visitors created by § 221.320, RSMo.

OPINION NO. 103-88

The Missouri School Boards Association is a "quasi-public governmental body" and subject to the provisions of Chapter 610, RSMo.

OPINION NO. 67-87

The Student Government Association of Southwest Missouri State University is not generally considered a public governmental body subject to the Sunshine Law, although the Sunshine Law may be applicable to the Student Government Association under certain circumstances.

RECORDS REQUESTS

JONES v. JACKSON COUNTY CIRCUIT COURT,

162 S.W.3d 53 (Mo.App. W.D. 2005)

The Sunshine Law does not require a government body to create a new record upon request, but only to provide access to existing records held or maintained by the public governmental body.

ANDERSON v. VILLAGE OF JACKSONVILLE,

103 S.W.3d 190 (Mo. App. W.D. 2003)

Anyone seeking access to public records must communicate a request in language that a reasonably competent custodian of the records would understand. The custodian must be able to identify records with reasonable specificity in order to be able to provide access to them.

OPINION NO. 168-2001

Under § 610.032, RSMo, when an executive agency makes a proper request to another executive agency for information that would otherwise be closed, the second executive agency may provide the information without the need for a court order.

OPINION NO. 235-2000

The board of aldermen may review a city employee's personnel file if it is necessary to care, manage, or control the city. The authority may be delegated through resolution or ordinance to one or more members of the board.

OPINION NO. 153-98

A request for a public record to be provided in a format other than paper, in this case microfilm, must be honored if the public governmental body is able to reproduce the record in that format.

Note: Section 610.023.3, RSMo, has since been amended to require that if records are requested in a certain format, and that format is available, the public body shall provide the records in the requested format.

OPINION NO. 82-97

If a city council member is absent from a meeting that is closed pursuant to § 610.021(3), RSMo, the council member should have access to the minutes from the closed portion.

OPEN RECORDS AND MEETINGS

HEMEYER v. KRCG-TV, 6 S.W.3d 880 (Mo. 1999)

A security videotape of a booking at a county jail is a public record even though the videotape is retained for only days.

Also, a public body that brings an action under § 610.027.5, RSMo, to determine its responsibility under the Sunshine Law is liable for reasonable attorney fees because the body brings suit at its own expense under that section.

SPRADLIN v. CITY OF FULTON, 982 S.W.2d 255 (Mo. 1998)

A city's closed-meeting discussions of a proposed golf course violate the Sunshine Law when the discussions do not involve the city's proposed lease of that golf course pursuant to § 610.021(2), RSMo.

DEATON v. KIDD, 932 S.W.2d 804 (Mo. App. W.D. 1996)

A public governmental body may not restrict public access to records by selling exclusive rights to computer tapes of public records to a bidder who then provides the records at a cost to the public.

PULITZER PUBLISHING CO. v. MISSOURI STATE EMPLOYEES' RETIREMENT SYSTEM (MOSERS), 927 S.W.2d 477 (Mo. App. W.D. 1996)

A public governmental body may not promulgate a rule to close public records where there is no statutory authority for that rule and the records appear to be public pursuant to § 610.021(13), RSMo.

MISSOURI PROTECTION AND ADVOCACY SERVICES v. ALLAN, 787 S.W.2d 291 (Mo. App. W.D. 1990)

A preliminary draft of a report prepared by the U.S. Office of Special Education Programs and in the possession of the Missouri Department of Elementary and Secondary Education is a public record because it is a record retained by a public governmental body. Section 610.010(6), RSMo, does not require a record to be in final form.

LIBRACH v. COOPER, 778 S.W.2d 351 (Mo. App. E.D. 1989)

A severance agreement reached between a school district and superintendent is a public record to be made available for inspection and copying.

OPINION NO. 47-2010

A list of personal care attendants' addresses cannot be closed under § 610.021(13), RSMo, which authorizes closure of "[i]ndividually identifiable personnel records, performance ratings or records pertaining to employees . . ." because the names and addresses are not "records pertaining to employees" that can be closed under

§ 610.021(13), RSMo, nor “trade secrets” that can be closed under § 610.021(14), RSMo, via the “Missouri Uniform Trade Secrets Act,” §§ 417.450 to 417.467, RSMo, because the list consists of information made public by statute. Therefore, the Sunshine Law’s general presumption of openness applies and the records are open.

OPINION NO. 126-2003

The Sunshine Law requires an election authority to release a record of voter registration information to a newspaper and to provide a copy in CD-ROM format, if available.

OPINION NO. 95-2001

The names, addresses, and water bills of customers of a public water supply district are records subject to disclosure under Chapter 610, RSMo. This does not apply to other information such as Social Security numbers.

OPINION NO. 129-97

The vote of each school board member must be available to the public on votes to hire, fire, discipline, or promote particular employees in a closed meeting pursuant to § 610.021(3), RSMo. But the information considered during the closed meeting and before the actual vote is taken does not have to be disclosed.

OPINION NO. 192-94

Telephone billing records of an individual member of the General Assembly are public records as defined by § 610.010(6), RSMo, to be made available for inspection and copying as provided in §§ 610.023 through 610.026, RSMo.

OPINION NO. 77-92

For purposes of § 610.021(3) and (13), RSMo, an elected mayor and elected city council members are not employees of a city; a city clerk and finance director, who are appointed and are paid, are employees; and members of a citizen board, who are appointed but not paid, are not employees.

OPINION NO. 117-91

Property record cards prepared and retained by a county assessor are public records to be made available for inspection and copying as provided in § 610.023, RSMo.

OPINION NO. 89-89

If a public governmental body retains copies of records of the information set out in § 290.290, RSMo, they are public records and must be made available for inspection and copying pursuant to § 610.023, RSMo.

CLOSURE PERMITTED

AMERICAN FAMILY MUTUAL INSURANCE CO. v. MISSOURI

DEPARTMENT OF INSURANCE, 169 S.W.3d 905 (Mo. App. W.D. 2005)

Under § 610.021(14), RSMo, a public body may rely on another statute, in this case a trade secrets provision under §§ 417.450 through 417.467, RSMo, to properly close certain insurance company records.

JONES v. HOUSING AUTHORITY OF KANSAS CITY,

174 S.W.3d 594 (Mo. App. W.D. 2005)

Identifying information of public housing tenants may be closed under the Sunshine Law because those records fall within the exception relating to “welfare cases of identifiable individuals” under § 610.021(8), RSMo.

STATE EX REL. MOORE v. BREWSTER, 116 S.W.3d 630 (Mo. App. E.D. 2003)

An attorney report on alleged misconduct by two school board members is a closed record as legal work product, but must be shared with all board members.

CITY OF ST. LOUIS v. CITY OF BRIDGETON,

806 S.W.2d 717 (Mo. App. E.D. 1991)

A public governmental body purchasing a number of contiguous parcels in a single subdivision is authorized to close records relating to the price paid for one parcel until all the parcels have been acquired.

OPINION NO. 93-2012

A public governmental body is authorized to close personally identifiable personnel records and records pertaining to employees, which would include pension database records. The only exception to this allowance is that records of the name, position, salary, and length of service of public employees may not be closed. Accordingly, information in the records consisting of the names and payments to public employees must be disclosed, but the rest may remain closed.

OPINION NO. 83-2009

Meetings held between a city and a local firefighters union to negotiate a memorandum of understanding pursuant to § 105.520, RSMo, can be closed pursuant to §§ 610.010 through 610.035, RSMo. However, when the written proposals are subject to adoption, modification, or rejection by the governing body, the meeting no longer can be closed.

OPINION NO. 117-2001

A city council with a city manager form of government may go into closed session to discuss personnel matters involving any city employee.

OPINION NO. 97-2000

A public governmental body may decide in closed session pursuant to § 610.021(2), RSMo, to enter into a contract that includes an option to purchase real estate at a particular price if the consideration for that contract could be affected by discussions in open sessions. However, within 72 hours of its decision the public governmental body must make public any minutes, votes, or records relating to its decision.

Note: Section 610.021(2), RSMo, has since been amended to require disclosure of minutes, votes, and records upon execution of the lease, purchase, or sale.

OPINION NO. 68-95

Reference to the number of the relevant subdivision in the § 610.021, RSMo, list of exceptions to openness (for example, § 610.021(1), RSMo) is sufficient to meet the requirement of § 610.022, RSMo, which requires a public body to announce the reason for closing a meeting. A recitation of the words in the relevant subdivision is not required.

OPINION NO. 97-90

Pursuant to § 610.022.2, RSMo, notice of a closed meeting of a public governmental body must include the time, date, and place of the meeting and a reference to the specific statutory exception allowing the meeting to be closed; however, notice of a closed meeting is not required to include a tentative agenda.

OPINION NO. 78-90

The circuit clerk, prosecuting attorney, and circuit judge are not required to release to the media and public the names of members of a grand jury.

OPINION NO. 184-89

Section 610.021(3), RSMo, does not authorize a city's governing body to close a meeting when considering appointments of volunteers to citizen boards.

OPINION NO. 18-81

Once a public governmental body has properly voted to close a meeting, all members of the general public should be removed from the meeting. The governmental body cannot discriminate regarding which members of the public it might wish to remove or allow to stay.

Note: The case of *Smith v. Sheriff*, 982 S.W.2d 775 (Mo. App. E.D. 1998), recognizes that a body may allow certain members of the public into a closed meeting to provide information to the body.

FEES

R.L. POLK & CO. v. MISSOURI DEPARTMENT OF REVENUE,
309 S.W.3d 881 (Mo. App. W.D. 2010)

Department of Revenue established a \$3.82 charge per electronic copy for Missouri vehicle or driver's license records, based on analysis of its costs to maintain and provide electronic copies or records. Court ruled that DOR's uniform per electronic record fee was not authorized by § 610.026.1(2), RSMo, in that it did not include only the costs of copies, staff time, and the cost of the medium used for duplication. The court recognized that such costs do not necessarily vary on a per record basis.

WEBSTER COUNTY ABSTRACT CO., INC. v. ATKISON,
328 S.W.3d 434 (Mo. App. S.D. 2010)

Recorder of Deeds charged a flat fee (per record charge) for all copies of records as authorized by § 59.130, RSMo, which allows up to \$2.00 for the first page and up to \$1.00 for each additional page. Charge bore no relationship to actual costs. Abstract company filed suit claiming charges violated the Sunshine Law, specifically § 610.026, RSMo. The court held the language at the beginning of § 610.026, RSMo, "[e]xcept as otherwise provided by law" permitted the per record charges authorized by § 59.310, RSMo.

ENFORCEMENT AND PENALTIES FOR PURPOSEFUL OR KNOWING VIOLATIONS

R.L. POLK & CO. v. MISSOURI DEPARTMENT OF REVENUE,

309 S.W.3d 881 (Mo. App. W.D. 2010)

Polk sought penalties alleging that Department of Revenue purposefully violated the Sunshine Law. The court held that the mere intent to engage in conduct is not purposeful, but a governmental body must exhibit a conscious design, intent, or plan to violate the law with awareness of the probable consequences. Where DOR attempted in the absence of statutory direction to determine a charge based on its interpretation of costs its conduct was not purposeful.

GREAT RIVERS ENVIRONMENTAL LAW CENTER v. CITY OF ST. PETERS,

290 S.W.3d 732 (Mo. App. E.D. 2009)

After Great Rivers requested records from the City, the City invoked its right pursuant to § 610.027.6, RSMo, to seek an opinion from the Attorney General regarding the legality of closing particular records. While opinion request was pending, Great Rivers filed action alleging the City knowingly and purposefully violated the Sunshine Law by not providing the requested records. Court ruled that there was not sufficient evidence to find a knowing or purposeful violation because the City availed itself of § 610.027.6, RSMo.

CLIENT SERVICES, INC. v. CITY OF ST. CHARLES,

182 S.W.3d 718 (Mo. App. E.D. 2006)

Once a party seeks judicial enforcement of the Sunshine Law, the public governmental body has the burden to demonstrate compliance.

R.E.J., INC. v. CITY OF SIKESTON, 142 S.W.3d 744 (Mo. 2004)

City that violated the notice requirements for meeting in adopting an ordinance may have that ordinance voided even if the city repealed the ordinance after being sued.

CITY OF SPRINGFIELD v. EVENTS PUBLISHING CO.,

951 S.W.2d 366 (Mo. App. S.D. 1997)

If a public governmental body seeks a judgment declaring whether a record is open or closed pursuant to § 610.027.5, RSMo, the body must pay both its own costs of bringing the action and the respondent's attorney fees. *See also, Hemeyer v. KRCCG-TV*, p. 39.

LAW ENFORCEMENT RECORDS

STATE EX REL. PULITZER MISSOURI NEWSPAPERS, INC. v. SEAY, 330 S.W.3d 823 (Mo. App. S.D. 2011)

City's former police chief was given a suspended imposition of sentence and placed on probation. The court ordered the file to be a closed and confidential file. Thereafter, the judge denied a newspaper publisher's request to review file. The court of appeals found the publisher was entitled to review the file because the former chief's case was not finally terminated as of the date of the request. Section 610.105, RSMo, provides records of a suspended imposition of sentence are closed records when the case is finally terminated. On the date the publisher inquired about the file, the case had not been finally terminated because the former chief, who had received a suspended sentence, had not yet completed his probation.

GUYER v. CITY OF KIRKWOOD, 38 S.W.3d 412 (Mo. 2001)

A complaint alleging criminal misconduct by a police officer is an "incident report," and a report concerning investigation into the complaint is an "investigative report" under § 610.100, RSMo. Those records can be closed only on grounds specified in § 610.100, RSMo, for closing law enforcement records. They cannot be closed under § 610.021(3) or (13), RSMo, on grounds that they are personnel records or related to disciplining or firing of an employee.

STATE EX. REL. GOODMAN v. ST. LOUIS BOARD OF POLICE COMMISSIONERS, 181 S.W.3d 156 (Mo. App. E.D. 2005)

An "incident report" as defined in § 610.100, RSMo, only includes those elements described in its definition. Other information, such as phone numbers and addresses, is not subject to disclosure.

SCROGGINS v. MISSOURI DEPARTMENT OF SOCIAL SERVICES, 227 S.W.3d 498 (Mo. App. W.D. 2007)

The director of the Children's Division has discretion to release records and reports that it generates, but investigative reports of law enforcement agencies provided to the Children's Division are closed records under § 610.100.2, RSMo, until the law enforcement investigation becomes inactive.

NEWS-PRESS AND GAZETTE CO. v. CATHCART, 974 S.W.2d 576 (Mo. App. W.D. 1998)

A coroner is a public governmental body under § 610.010, RSMo. But an autopsy report used in an active investigation is an "investigative report" and is closed under § 610.100, RSMo.

OPINION NO. 37-2003

Section 211.321, RSMo, requires that, with certain exceptions, those portions of juvenile court records and law enforcement records identifying juveniles must be kept confidential. So if a law enforcement record involving a juvenile would otherwise be an open record, the law enforcement agency responding to a request for that record should redact identifying information about the juvenile and release the remainder of the record.

OPINION NO. 274-2000

The Sunshine Law requires disclosure of the race of the arrested person and the arrest location if that information is contained in the arrest report and the arrest report is not closed under the Sunshine Law.

OPINION NO. 106-96

Under §§ 79.200 and 610.120, RSMo, a mayor may review an appointed city prosecutor's past prosecution record because the mayor is from a "law enforcement agency" and the review is related to "criminal justice employment."

OPINION NO. 158-95

Under §§ 610.105 and 610.120, RSMo, a city auditor does not have authority to inspect municipal court records of dismissed or nolle prossed cases. Those records may only be inspected by the entities listed in § 610.120, RSMo.

OPINION NO. 200-94

Section 610.100, RSMo, does not contain any provisions expressly referring to Missouri Supreme Court Rules 25.01 et seq., or purporting to amend or annul these rules. Therefore, Rules 25.01 et seq., govern the disclosure of certain information pertaining to a criminal case upon the filing of the indictment or information. To the extent those rules mandate the timing and substance of disclosure of certain information contained within a police investigative report, the Supreme Court Rules of Criminal Procedure must govern. However, upon the completion of the criminal legal action, the status of the police investigative report must be reevaluated.

OPINION NO. 80-93

Records relating to permits to acquire a concealable firearm retained by a county sheriff as required by § 571.090.5, RSMo, are public records open to inspection.

Note: Missouri's concealed-carry law contains its own confidentiality provisions (Section 571.101.9, RSMo).

FAQs - Public Government Body

1) How much can a public governmental body charge for records requests?

Section 610.026.1(1), RSMo, allows a public governmental body to charge up to 10 cents per page for standard paper copies, the average hourly rate of pay for clerical staff to duplicate documents, and the actual cost of the research time for fulfilling the request. This provision also requires that the public governmental body use the lowest salaried employees capable of searching, researching, and copying the records. Fees for accessing records on other media, or non-standard paper copies, shall reflect actual cost involved. The requestor may wish to ask for a breakdown of the costs associated with the request to determine how the public governmental body arrived at the final charge.

2) Our board goes in to closed session and we don't know what they are going to talk about. Don't they have to let us know why they are closing the meeting?

Yes. Section 610.022, RSMo, requires that public governmental bodies give at least 24 hours notice of each proposed closed meeting and the reason for holding it by reference to the specific exception allowed under § 610.021, RSMo. Section 610.022, RSMo, also states that no public governmental body can move from an open meeting into a closed meeting without a roll call vote, and that the vote and the specific section of § 610.021, RSMo, shall be publicly announced and entered in to the minutes.

3) I was told my request would be ready in 2 weeks. Doesn't the Sunshine Law say they have to give me the records in 3 days?

Section 610.023.3, RSMo, requires that each request be responded to as soon as possible, but no later than the end of the third business day following the custodian of records' receipt of the request. If access is not granted immediately, the custodian of records is required to explain the reason for the delay and the earliest date and time that the records will be available. Therefore, public governmental bodies are allowed to exceed the three days for production, but they are required to notify you of the delay and explain when they anticipate the records will be ready.

4) Can a public governmental body add items to the agenda after it has been posted?

Section 610.020.1, RSMo, requires public governmental bodies to post a notice and a tentative agenda for each meeting, and that the agenda be constructed in a manner reasonably calculated to advise the public of the matters to be considered. Further, § 610.020.2, RSMo, requires that this notice be posted at least 24 hours in advance of the meeting. However, § 610.020, RSMo, includes an exception that, if for good cause, 24 hours notice is impossible or impractical, the

public governmental body shall give as much notice as possible. Also, the nature of the good cause justifying the departure from normal requirements shall be stated in the minutes.

5) Members of the board get together and talk about business outside of meetings. Is that a violation? Under the Sunshine Law, a meeting takes place when a majority or quorum of a public governmental body gathers to discuss or vote on public business (§ 610.010(5), RSMo, and *Colombo v. Buford*, 935 S.W.2d 690 (Mo. App. W.D. 1996)). Therefore, if less than a quorum of the public body meets to discuss public business, it is not a “meeting” as defined under the Sunshine Law. However, the Sunshine Law will apply to meetings of groups with less than a quorum when the entity is deliberately attempting to evade the Sunshine Law. See, *Colombo*, cited above. For example, a public governmental body may not purposely meet in groups with less than a quorum to discuss public business and then ratify those decisions in a subsequent public meeting.

6) Board members e-mail each other about public business – is that considered a meeting? Pursuant to § 610.010(5), RSMo, a public meeting exists when a public body meets and public business is discussed, decided, or public policy is formulated. A single e-mail about an issue would not in and of itself constitute a meeting requiring advance notice. However, by § 610.025, RSMo, any member of a public governmental body who sends an e-mail relating to public business to a majority of the body shall also send a copy to the member’s public office computer or to the custodian of records to be retained as a public record.

7) A requestor refuses to use our request form and sends numerous e-mails with requests for records. Can we require that they fill out our standard request form? Section 610.023.3, RSMo, requires that each request for access to public records is to be responded to as soon as possible; it does not specify a manner in which these requests must be submitted. Therefore, a public governmental body may ask that requestors fill out a form, but it can’t require them to do so.

8) Who can impose penalties for Sunshine Law violations? Only a court can impose penalties if it finds that the Sunshine Law has been violated, and penalties are assessed only if the violation is found to be knowing or purposeful. A court may also void any action that was taken in violation of the law, but it is at the court’s discretion, after considering if it is in the public interest to do so.

9) How may we state our motion when we want to enter into a closed session? One sample motion is: “I move that this meeting be closed, and that all records and votes, to the extent permitted by law, pertaining to and/or resulting

from this closed meeting be closed under Section 610.021, subsection(s) ____, RSMo, for the purpose of (insert the language of the provision(s) cited).”

Please note that the public governmental body should only cite those subsections that are applicable to the material it intends to close (not a standard list of several subsections).

10) Who is subject to the Sunshine Law? To determine if the Sunshine Law applies to a body, refer to the definition of public governmental body in § 610.010, RSMo, p. 4, which includes, but is not limited to:

- public bodies created by state constitution or statutes;
- public bodies created by order or ordinance of any political subdivision or district;
- judicial entities when operating in an administrative capacity;
- public bodies created by executive order, including:
 - ✓ any advisory committee or commission appointed by the governor by executive order;
 - ✓ any department or division of the state;
 - ✓ any department or division of any political subdivision of the state;
 - ✓ any department or division of any county or of any municipal government;
 - ✓ any department or division school district;
 - ✓ any department or division of a special purpose district including but not limited to sewer districts and water districts; and
 - ✓ other subdistricts of any political subdivision;
- any other legislative or administrative governmental deliberative body under the direction of three or more elected or appointed members having rulemaking or quasi-judicial power; and
- certain committees or advisory boards appointed by any of the above entities.
Note: The custodian of records of any public governmental body shall maintain a list of the policy advisory committees described in this section.

Or, a body may qualify as a quasi-governmental body under the Sunshine Law, which is defined in § 610.010(4), RSMo, p. 5, and includes, but is not limited to:

- any person, corporation or partnership organized or authorized to do business in this state by the provisions of chapter 352, 353, or 355, RSMo, or an unincorporated association which either:
 - i. has as its primary purpose to:
 - ✓ enter into contracts with public governmental bodies; or
 - ✓ engage primarily in activities carried out pursuant to an agreement or agreements with public governmental bodies; or
 - ii. performs a statutorily-based public function to:
 - ✓ allocate or issue tax credits, tax abatement, public debt, tax-exempt debt, rights of eminent domain; or
 - ✓ contract leaseback agreements on structures whose annualized payments commit public tax revenues.
- any association that directly accepts the appropriation of money from a public governmental body, but only to the extent that a meeting, record, or vote relates to such appropriation.

FAQs - Law Enforcement

1) Should a juvenile's name be redacted from a police report before being released pursuant to a Sunshine Law request? Section 610.100, RSMo, does not directly address the names of juveniles, but another statute that should be considered is § 211.321.3, RSMo, which states: "Peace officers' records . . . of children . . . shall not be open to inspection or their contents disclosed, except by order of the court."

2) Are criminal records related to a case with a suspended imposition of sentence open or closed records? If an individual receives a suspended imposition of sentence (SIS), the records are open during the period of probation. Once the individual successfully completes the period of probation, the records are then closed. Section 610.105, RSMo.

3) Are motorists involved in automobile accidents entitled to an accident report, even if the case is under review with the prosecutor about pending charges? Generally, a person who was "involved in any incident or whose property is involved in an incident" is entitled to records that might otherwise be closed, including an accident report, "for purposes of investigation of any civil claim or defense." This includes the individual's lawyer, insurance company, or close family member. Section 610.100.4, RSMo. See also Question 4, below.

4) Under what circumstances can a police agency deny access to police reports that might otherwise be open? Sections 610.100.3 and 610.100.4, RSMo, state that the agency has the authority to withhold the disclosure of records that may otherwise be subject to disclosure under two circumstances. First, if the agency has an articulable concern over the safety of a victim, witness, or other person if the record is revealed. Second, disclosure is not necessary if the criminal investigation is likely to be jeopardized. However, the agency may need court approval for withholding this information.

5) Is an employer entitled to closed criminal records of a prospective employee? Under § 610.120, RSMo, a number of employers (including police agencies) are entitled to closed records for employment purposes. This section also states that the defendant can also have access to his or her closed records. Therefore, a prospective employee can allow other prospective employers to access those closed records, if a proper waiver is signed.

6) Can a criminal defendant access police records related to his pending case under the Sunshine Law? No. Attorney General Opinion No. 200-94 states that if criminal charges are filed, disclosures of police reports should occur under the applicable Rules of Criminal Procedure promulgated by the Missouri Supreme Court. As a result, the defendant is generally required to seek his disclosures from the prosecuting attorney and not the law enforcement agencies directly.

7) How detailed must an incident report be in describing the “immediate facts and circumstances” of the crime or incident? An incident report provides the general public with only the most basic information about each incident to which the law enforcement agency is called to respond. In some cases, it may be sufficient to describe the incident as a “vehicle accident” or “domestic assault,” but in other situations more detail may be appropriate.

8) What information is available from a 911 call? The information that is generally available or open regarding a 911 call is the “incident information” – the date, time, specific location, and immediate facts and circumstances of the call. The recording is inaccessible to the public. Section 610.150, RSMo.

9) Are closed records to be destroyed? No, as a general rule, closed records are to be retained but made inaccessible to the public. Section 610.120, RSMo.

Freedom of Information Act

The federal government's public information law

The federal government also has a sunshine law requiring federal public governmental bodies to open their meetings and records to the public. Called the Freedom of Information Act, a copy of the federal law can be obtained from the University of Missouri-Columbia's Freedom of Information Center. The center is housed in the School of Journalism.

The center's staff will help answer your questions about public access to federal meetings and records.

The center also has sample request forms available that Missourians can use to request information from a federal or state governmental entity. This same information is available on the center's website at **www.nfoic.org**.
